SONG LYRICS

Be a Superhero/Kindness Song for Kids by Jack Hartman

Some super heroes fly in the sky
Some super heroes have super x ray eyes
But you can be the best super hero in the world
Show kindness and respect to every boy and girl
Show kindness and respect to every boy and girl

Be a super hero on this day
Give a high five, that's the way
High five, high five, a gentle high five

Be a super hero on this day
Give someone a hug, that's the way
Hug, hug, give someone a hug

Be a super hero on this day
Give a happy smile that's the way
Smile, smile, smile a happy smile

Be a super hero on this day
Help someone out, that's the way
Help, help, help someone out

Some super heroes fly in the sky
Some super heroes have super x ray eyes
But you can be the best super hero in the world
Show kindness and respect to every boy and girl
Show kindness and respect to every boy and girl

When you take time to be nice and kind
Give a hug, shake a hand, give someone a smile
At school or home or anyplace
It's those little things that mean so much
That makes the world a better place
