## **How to request a Speaker:**

To request a David's Legacy Foundation (DLF) speaker for your group, we must receive a request, preferably 4-6 weeks in advance of the event. The DLF Speakers Bureau is a volunteer program. We cannot guarantee all speaking requests will be filled, but will do our best.

To submit a presentation request, visit our website:

<http://www.davidslegacy.org/book-a-presentation/>

## **Presentation and Speaker Fees:**

**Presentation cost:** The cost per presentation is \$500.00. This cost offsets the internal administrative costs incurred in preparing and presenting the DLF message.

**Travel in San Antonio, TX:** DLF asks that our schools/districts/organizations pay for mileage incurred by our volunteer speakers when traveling to/from the presentation location.

**Travel outside San Antonio, TX:** DLF asks our out-of-town schools/districts/organizations to pay for incurred travel fees that may include: mileage, hotel, rental car and airfare for our volunteer speakers.

*Travel costs will be determined and shared with you prior to entering an agreement with DLF.*

*If a fee to DLF deters your school/organization from scheduling a presentation, please email us at [info@davidslegacy.org](mailto:info@davidslegacy.org) to share any special circumstances you would like us to consider.*

## **When will you hear from us:**

Upon receipt, speaking requests will be reviewed and you will be contacted within 24-48 hours from submission date. If you have any questions, please contact us at:
