

Bullying others isn't ME!

Guided Notes

Bullying is different than conflict. Bullying has two elements that make it different. They are _____ and _____.

Provide two examples of bullying (answers can come from the word bank or you may provide original examples).

What are common ways people cyberbully others?

How is cyberbullying different than bullying?

Word Bank

tattling
imbalance of power
reporting
24/7/365
making threats
lasts forever
pretending to be someone else
repeated behavior
spreading rumors
follows you everywhere
threatening someone
Posting mean or person videos and pictures

Reporting is very different than tattling. Label each definition.

_____ is when you tell something to help someone in trouble or to stop someone from harming you.

_____ is when you tell something someone did to someone, hoping it gets them in trouble.

Bullies and cyberbullies can be charged with a crime in Texas . True or False
